## **Financial ROI FAQ**

### **What is a Financial Release of Information Form (ROI) and what is it for?**

A Financial Release of Information Form (ROI) documents your consent for The Emily Program to share information regarding your treatment to your insurance provider. It is necessary for The Emily Program to share this information so that your insurance provider can file, process, and support insurance claims.

### **Why is a Financial ROI needed?**

To comply with federal health care laws and to ensure your continued right to privacy, The Emily Program must obtain your consent in writing before communicating with your insurance provider about you or the services you are receiving at The Emily Program.

### **For how long is this ROI valid?**

The Financial ROI is valid for three (3) years from your last date of service at The Emily Program, unless you revoke the ROI prior to that date.

### **What if I/we decide not to fill out an ROI?**

If you decline to fill out a ROI for your insurer, The Emily Program will not be able to bill the insurer for your services and you will be financially responsible for all services and charges incurred while obtaining eating disorder treatment at The Emily Program. Declining to complete a Financial ROI means that you are electing to self-pay for services at The Emily Program as specified in the Financial Policy Agreement.

### **How can I revoke my consent?**

Financial ROI's can be revoked before their expiration date. To do this, please send a signed and dated letter stating which authorization/with whom you would like to revoke your Financial ROI. Please send this letter to us at: The Emily Program, 1295 Bandana Blvd N, #210, St. Paul, MN 55108. Letters that are received will be kept in your chart as record of the revoked release.
